

Technical Officer -MC Secondary (Based at Ukhiya Office, Cox's Bazar)

We believe in the power and potential of every child. Globally we have committed ourselves to the ambitious target of reaching 200 million girls to ensure that they can learn, lead, decide and thrive. Plan International Bangladesh (PIB) is transforming itself to meet the enormous challenge everywhere we work to successfully deliver on our global ambitions and significantly impact children's rights and gender equality in Bangladesh.

Plan has been working in Cox Bazar to respond to the Rohingya refugee influx since 24 September 2017 implementing the following key objectives: 1. Ensure girls and boys affected by the crisis are protected from violence, abuse, neglect and exploitation through appropriate prevention and response interventions in line with minimum standards. 2. Reduce the transmission of disease from feces to mouth through the promotion of good hygiene practice and the reduction of health risks related to poor sanitation 3. Restore and increase access to safe quality and inclusive educational opportunities for refugee children and adolescents (girls and boys) affected by the Rohingya crisis.

We are dedicated and responsible to act on our [core values](#) and advance our organisational purpose- Advancing Children's Rights and Equality for Girls demonstrate our commitments to stand for what is right. We value and embrace diversity of skills, backgrounds and perspectives. We recognize that our work is best achieved by reinforcing our capacity in partnership. We are seeking bold, forward-thinking and innovative individuals to join EIE team.

The role:

Technical Officer -MC Secondary will be responsible for the implementation of the Myanmar Curriculum component targeting children aged 11-18 YO. She/he will ensure the delivery and achievement of programme outputs in particular establishment of Community Based Learning Facilities, support for the identification and mobilization of teachers/facilitators in displaced and host communities, support for teachers training, delivery of education activities for targeted children. S/he will communicate frequently with Coordinator for expenditure, reporting and donor compliance. She/he will take proactive stance in identifying and mitigating child protection related risk in the implementation of the project interventions and will represent plan at sub district level.

What we're looking for:

Minimum Bachelor level educational qualification in Education, social studies or any relevant subject. Minimum 2 years of experience in education sector. Experience in Cox's Bazar humanitarian settings is an asset. INGO work experience is preferred. Comprehensive understanding of the Humanitarian architecture of the Rohingya Response its operating and regulatory environment. Understanding general finance, administration and information management. Knowledge and understanding of Plan's vision, mission values. In-depth understanding of Child Protection. Maintaining work relationships (internal/external). Communicating, one to one & in groups, written & verbal, presentations and reports in English; knowledge of Bangla would be necessary. Budget management and assessment of financial operations in humanitarian situations. Facilitation, negotiation and networking. Persuasion and ability to influence. Good knowledge and understanding of DO NO HARM principles and established education in emergencies standards. Ability to represent the organization at key external and internal events when required. Ability to solve problems, handle setbacks and pressure. Ability to use basic office electronic equipment & computer applications. Fluency in English, written and spoken. Understanding and speaking local language of Cox's Bazar or Chittagong is an advantage.

About Plan International

Plan International is an independent development and humanitarian organization that advances children's rights and equality for girls. Plan International envisages a world in which all children and young people realise their full potential, a vision now shared by the 193 Heads of State and Government who adopted the 2030 Agenda for Sustainable Development in September 2015.

We believe in the power and potential of every child. This is often suppressed by poverty, violence, exclusion and discrimination. Its girls who are most affected. Plan International's new Global Strategy aims to transform the lives of 200 million girls by implementing an integrated programme and influence approach.
